

ACP Lectureship Tour Report

Awardee: Dr. Poonsakdi Ployoradith (Chulabhorn Research Institute, Vipavadee-Rangsit Highway, Laksi, Bangkok, Thailand)
Visiting Country: China
Visiting Institutes: 4 Places (Shanghai Institute of Organic Chemistry (SIOC), Shanghai Institute of Materia Medica (SIMM), Beijing Institute of Materia Medica, and Peking University)
Period: October 18 (Sun) – October 23 (Fri), 2009

Detailed Schedule

Oct 18 (Sun) 2009 Arrived at Shanghai Airport, Stayed at Hope Hotel

Oct 19 (Mon) 2009 Visited SIOC and Delivered a Lecture entitled “*ortho*-Quinone Methides Generated by *p*-TsOH on silica and Their Hetero-Diels-Alder Reactions” (Host: Professor Zhu-Jun Yao)

Oct 20 (Tue) 2009 Visited SIMM and Delivered a Lecture entitled “Total Synthesis and Biological Evaluation of Marine Natural Product Lamellarins” (Host: Professor Ming-Hua Xu)

Oct 21 (Wed) 2009 Moved to Beijing airport, Visited Beijing Institute of Materia Medica to deliver a lecture entitled “Total Synthesis and Biological Evaluation of Marine Natural Product Lamellarins” (Host: Professor Gang Liu)

Oct 22 (Thu) 2009 Visited Peking University to Deliver a Seminar with a title of “Total Synthesis and Biological Evaluation of Marine Natural Product Lamellarins” (Host: Professor Yan-Xing Jia)

Oct 23 (Fri) 2009 Returned to Bangkok from Beijing Airport
