 - Departure from the Narita International Airport (NRT), Tokyo

Acknowledgements:

This lectureship tour was truly beneficial for me, both scientifically and culturally. I would like to express my gratitude to all the host professors, especially Prof. Hidenori Watanabe, for their warm hospitality and kind arrangement during my visit to their institution. I also would like to thank the Japan Society for Promotion of Sciences (JSPS) and the National Research Council of Thailand (NRCT) for their generous financial support for my trip.
