

**Report of Lectureship Tour in Thailand Feb.21-25, 2011.**  
**Young Ho Rhee**  
**Department of Chemistry, Pohang university of Science and Technology**

Feb. 20<sup>th</sup> Arrival in Bangkok

Feb. 21<sup>th</sup> Lecture at Chulabhorn Research Institute

Title: developing new gold-catalyzed reactions : a flexibility-driven approach

Hosted by Dr. Poonsakdi Ploypradith

Feb. 22<sup>th</sup> Lecture at Kasetsart University

Title: developing new gold-catalyzed reactions : a flexibility-driven approach

Hosted by Prof. Pitak Chuawong

Feb. 23<sup>th</sup> Lecture at Mahidol university

Title: developing new gold-catalyzed reactions : a flexibility-driven approach

Hosted by Prof. Chutima Kuhakarn

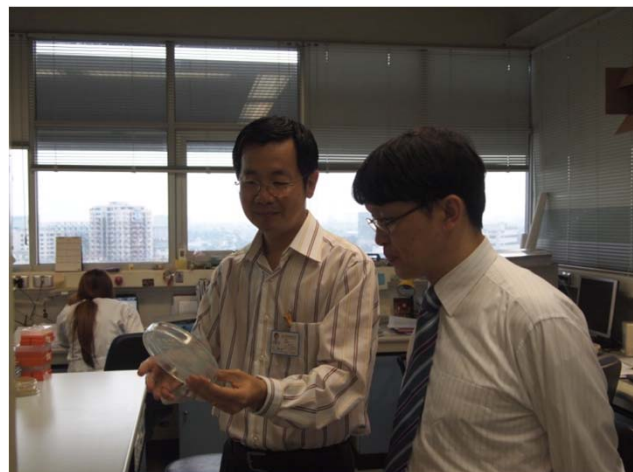

Feb. 24<sup>th</sup> Lecture at Chulalongkorn university

Title: developing new gold-catalyzed reactions : a flexibility-driven approach

Hosted by Prof. Tirayut Vilaivan

Feb. 25<sup>th</sup> visit Ayutthaya area

Feb. 26<sup>th</sup> Leave from Bangkok

**Lecture at Chulabhorn  
Research Institute**

**Seafood Market and Restaurant:  
If it swims, we have it.**

**Lecture at Kasetsart University**
