### Acknowledgement

Special thanks to Prof. Uang's student who let me touch your heart and share Taiwan and Thailand culture together.

I would like to thank all host professors for their warm hospitality during my visit to their institution. I also would like to thank the National Science Council (NSC) and the National Research Council of Thailand (NRCT) for their generous support financial support for my visit to Taiwan, the Heart of Asia.

Shimen Reservoir, Nov 10, 2012
